By this we mean &ndash; to  
make people aware of the potential for change &ndash; personally, locally and  
globally &ndash; and of our shared responsibility for a fairer world and sustainable  
lifestyle.

Our values are based  
on

inclusion of people, ideas and  
contributions, recognising equality  
Transparency, with a critical awareness of  
self or others  
Participation or engagement  
Respect for self and  
others and our shared environment
